

Code of the West: Level 2

Select four of the remaining Ten Principles to Live By and explain in your own words what they mean to you.

1. _____

2. _____

3. _____

4. _____

Search the web and look for other “cowboy codes, “rules of the range”, or bits of cowboy wisdom. Share below. Please give a description, background information, (author -if any) and source of the information.

Compare the “code” above with the Ten Principles to Live By.

What is the difference between “rules” and “principles”, if any?

Please relate a specific and recent incident in the news that was the result of following or not following the Ten Principles to Live By.
