

Code of the West: Level 3

Identify the four remaining Ten Principles to Live By and explain in your own words what they mean to you.

1. _____

2. _____

3. _____

4. _____

Of the Ten Principles to Live By, which do you think is the most important and why?

Please relate one specific incident where you used one or more of the principles in your conscious decision on how to act or react.

If you could add an Eleventh Principle to Live By, what would it be and why?
